PROFILE

Master's student at EM Normandie, I want to combine my project coordination skills, interpersonal sense and creativity to help design memorable event experiences within an international hotel in Cartagena, Colombia.

PROFESSIONAL EXPERIENCE

EVENT SALES & VIP SERVICE LEAD (fixed-term)

June 2025 – present

Plénitude Arena, Paris · Part-time student job alongside studies

- **Counter management & VIP service:** Supervising sales teams during concerts, tournaments and major brand events. Selling merchandise to French and international customers, at standard outlets as well as in VIP boxes and private lounges.
- **Stock planning & coordination:** preparing stock ahead of events, working directly with production teams and artists' merchandising managers.
- **Operational stock management:** receiving goods, opening and closing inventories, real-time tracking and redistribution of goods between the Arena's points of sale.
- **Merchandising & brand image:** optimising the layout and presentation of sales areas, in line with partner brand and event requirements.

Project Officer – Training & Sales Enablement (internship)

April – July 2026

SFR · B2C training, quality and sales enablement, Paris

- **Operational coordination:** project planning, deadline tracking and coordination of actions with internal teams and partners (Samsung, Honor).
- **Logistics:** preparing meetings and training sessions, coordinating speakers and making sure planned actions ran smoothly.
- **Communication & digital content:** AI-assisted presentation videos (NotebookLM) and training materials, including a training module for call-centre advisors.
- **Digital tools & service quality:** built an automated file to support advisors' scripts; call evaluation and recommendations to improve the customer experience.

Junior Business Developer (internship)

June – July 2025

Docteur Glaçons, Paris

- **Delivery organisation & coordination:** route planning, lead-time tracking and flow optimisation to ensure customer satisfaction.
- **Customer relations & administration:** updating customer databases, follow-ups, invoice checking and customer retention.

Sales Representative / Digital Marketing Assistant (fixed-term)

Vocation CRPE · PGE PGO, Paris **May – July 2024**

- **Business development & customer relations:** promoting training programmes to prospects and partners, sales negotiation, personalised support and customer retention.
- **Digital communication & customer experience:** social media communication plans, email campaigns and a review-collection initiative to improve the user experience.

EDUCATION
